

# The Ultimate Arabic Verb Conjugator Debuts on iPhone/iPad

The CJK Dictionary Institute has announced the release of **The CJKI Arabic Verb Conjugator for iOS**, or CAVE. This easy-to-use Arabic-English verb conjugator, which provides exhaustive coverage of conjugation paradigms, is the ultimate tool to master the complexities of the Arabic verb system.

A team of specialists devoted four years to ensure that the conjugation paradigms are complete and accurate, culminating in an application of superb design covering 400,000 conjugated forms of over 1600 Arabic verbs. No product on the market today offers such a rich set of features wrapped in a stunning interface easy to use even by complete beginners.

## Pedagogic Breakthrough

The release of CAVE represents a major breakthrough in Arabic language pedagogy.

Designed from the ground up to be a highly effective learning aid, CAVE stimulates a desire to learn by providing rich content in an easy-to-use user interface that gives instant access to detailed information on every aspect of Arabic verb conjugations.

Arabic teachers and educators have praised CAVE as a powerful learning tool that promises to revolutionize Arabic pedagogy. In the words of renowned Professor Emerita Karin Ryding of Georgetown University, CAVE is “useful and beneficial for mastering Arabic verbs and their numerous inflected forms.”

## Now Available

We are convinced that you will find CAVE to be an invaluable source of complete and accurate information on every aspect of Arabic verb conjugation. Please feel free to notify your colleagues and students or to announce CAVE on websites and blogs or in newsletters.
